Applicant: Bogursky et al.

Application No.: 10/084,125

Filed: 2/28/02

Art Unit: 2827

Examiner: J.C. Norris

For: Discrete Solder Ball Contact, etc.

Commissioner Of Patents And Trademarks

Washington, D.C. 20231

Sir:

SUPPLEMENTAL AMENDMENT

This is in response to the Office action dated 3/17/03.

REMARKS

This amendment supplements the amendment filed 27 Jan. 2003 and supplies as attachments marked up versions of claims 4, 8, 13, 20, 21 and 23 that were inadvertently omitted from the previous amendment for which the undersigned apologizes.

Claims 4, 8, 13, 20, 21 and 23 were indicated allowable in the previous Office action if rewritten to include the subject matter of its parent claims. The summary of text and status of all pending claims filed in the previous amendment is believed correct except that claims 4, 8, 13, 20, 21, and 23 should have been indicated as amended or as rewritten.

It is believed the present amendment places the case in condition for allowance and such action is earnestly solicited.

**Respectfully submitted,
R. Bogursky et al.**
